**FOR IMMEDIATE RELEASE**

**Deltacom Names Mike DeGraw to Lead Company's Wholesale Sales Organization**

**Huntsville, Ala., Nov. 16, 2009** – ITC^DeltaCom, Inc. (OTC: ITCD.OB), a leading provider of integrated communications services to customers in the southeastern United States, today named Mike DeGraw as Senior Vice President of Wholesale Sales. DeGraw brings more than seventeen years of sales strategy, business development and corporate leadership experience in the Telecommunications industry.

DeGraw was previously president and co-owner of Huntington Telecom, an International wholesale voice operator. Prior to Huntington Telecom, he was a vice president with Leucadia Telecommunications Group where he managed a diverse group of international telecommunications businesses, including responsibilities at WilTel Communications. Prior to Leucadia, Mike held sales management positions with Global Crossing, Cable & Wireless and AT&T Australia.

“I look forward to the strategic leadership that Mike will bring to Deltacom’s wholesale business,” said Tony Tomae, Deltacom’s Executive Vice President of Sales and Marketing. “His broad industry experience and longstanding customer relationships will help Deltacom as we continue to expand our solutions and develop new business in the wholesale telecommunications market.”

ABOUT ITC^DELTACOM, INC.

ITC^DeltaCom, Inc., headquartered in Huntsville, Alabama, provides, through its operating subsidiaries, integrated telecommunications and technology services to businesses and other communications providers in the southeastern United States. ITC^DeltaCom has a fiber optic network spanning approximately 15,965 route miles, including more than 12,020 route miles of owned fiber, and offers a comprehensive suite of voice and data communications services, including local, long distance, broadband data, Internet connectivity, wireless voice and data services, and customer premise equipment. ITC^DeltaCom is one of the largest competitive telecommunications providers in its primary eight-state region.
